

Senate Bill 898 (82R) Reporting Form
Reports due: November 1.
Form# 50-816

Purpose of this Document: In 2011, the Texas Legislature passed Senate Bill 898 amending the Health and Safety Code §388.005 to require each political subdivision, institution of higher education, or state agency to establish a goal to reduce electrical consumption by at least five percent each fiscal year for ten years beginning September 1, 2011. Each entity must report to the State Energy Conservation Office (SECO) regarding the entity's efforts to meet the goal, and progress the entity has made.

Describe Progress

Provide a brief narrative regarding the progress and efforts indicated above to reduce electrical consumption and a brief description of planned or applied reduction activities. Your description will be included in SECO's annual report. Attach additional pages if needed.

Check here if additional documentation is attached.

Exemption Request

In accordance with Senate Bill 898, a political subdivision, institution of higher education, or state agency that does not attain this goal must include justification that the entity has already implemented all available cost-effective measures. An entity that submits a report indicating that it has reviewed its available options, has determined that no additional measures are cost-effective, and that it has already implemented all available cost-effective measures is exempt from the annual reporting requirement if a subsequent report would indicate no change in status.

If requesting an exemption to the mandates of SB 898 please check the boxes and provide additional documentation to serve as justification for this exemption request.

- The Entity listed above has reviewed its available options, has determined that no additional measures are cost-effective, and that it has already implemented all available cost-effective measures.
- The Entity has included a report to this effect.

I have read Senate Bill 898 (82R) regarding exemptions, and hereby certify that the said entity has met the exemption.
