

2016 Fall 2 Adult Softball League
Adult Softball Coaches and Team Managers,

With the start of a new league, this shall serve as notice of the City's new enforcement policy procedures pertaining to the compliance of ordinance NO 488 prohibiting alcohol on city property. The city will place the following policy into effect beginning on Monday, October, 17, 2016:

In the event that any team(s) and/or player(s) that are observed to possess and/or, consume alcohol at the park or in the dugout; the game will be stopped and will be declared a forfeit loss in favor of the other team, or a double forfeit loss in the event both teams are involved. The entire team(s) will ejected from the park immediately. The issue will not be discussed on said night, and if the situation warrants the police department will be called in to assist as needed. As stated in the coaches' packet, City Staff has the authority to call any game for any cause, and it is the responsibility of the team coach/manager to control the behavior of the players and spectators alike.

City Staff will contact the coach and/or team manager on the following business day to discuss the outcome and repercussions of the violation, which may lead up to and include suspension from further activities for a period of one year.

We enjoy having you at the park and ask that you assist us in maintaining a family friendly atmosphere by complying with park rules and city ordinances allowing for an enjoyable time for everyone.

City Staff
