Standing Order

001

Deferral Offers

As of this order defendants who meet the legal requirements to receive deferred dispositions on a citation may be given a deferral offer at the court window by the clerks.

Any deferral offer should be \$20.00 higher than the fine amount but may not exceed the maximum allowable fine plus court costs. If any doubt exists either direct the defendant to appear at the next court docket to speak with the prosecutor or judge.

All deferral offers remain offers until approved and signed by the judge.
